

We can deliver wine with any order or by itself. Unfortunately, we can only deliver wine within Anne Arundel County. To order wine just give us a call and tell us what you want. We can only accept payment for delivery over the phone with credit/ debit cards. We also will have to be presented with a valid ID at the time of delivery. To make this easier we are putting together several mixed packs as well as a small inventory. You can pick from what is listed or ask for something that is not listed.
